I. UWA

A. RESULTS

1. 6/26/91 at el Palenque de la Feria at Celaya, Guanajuato, Mexico

1. The Main Event: UWA World Lightweight Wrestling Championship Match: Champion Lasser defeated challenger ? to retain the title.

2. 6/30/91 at el Toreo de Cuatro Caminos in Naucalpan, Mexico, Mexico

1. The Main Event: UWA World Middleweight Wrestling Championship Match: Champion el Negro Casas and challenger el Hijo del Santo drew in the third fall with a double pin off of a double rolling reverse cradle. Casas weighed in at 82 kg (181 pounds) and Santo at 78 (172 pounds). Excellent match. Casas won the first fall with an "enredada" (small package) and Santo won the second with his dad's old camel clutch finisher, the "de a caballa."

2. The Semifinal: UWA World Light Heavyweight Championship Match: Champion el Villano III defeated challenger el Huracan Castillo junior two falls to one with a clean pinfall in the third fall. Good match. Both men weighed 94 kg or 207 pounds. The limit is 98 kg.

3. The Especial: Dos Caras, el Gran Hamada, and Enrique Vera defeated Miguelito Perez junior, el Gigante Guerro, and el Signo two falls to one when el Signo fouled Vera in the third fall. Very good match.

4. The Tercera: The Killer, el Engendro, and Fishman upset el Texano, Silver King, and Kato Kung Lee II two falls to zero, but el Engendro had to be hospitalized legit after the match. Maybe he gave out after working five straight falls. Good match.

5. The Segunda: Katana, el Marlin, and Valente Fernandez defeated el Engendro (Raul Larios), el Indomito (Vincente Carbajal), and el Babe Face (Ben Heref) two falls to one. Good match. All the heat and spots were designed to get the newcomer Katana over. I guess they decided Katana sounded better than Takana.

6. The Inicial: el Angel Negro, el Angel Mortal, and el Migra defeated the nearly legendary Bat Blue, el Gran Apache I, and Mando Amezcua two falls to one.

C. NEWS AND NOTES

1. Well, here it comes, the news we have all been waiting for. On Wednesday, July 3, 1991, the EMLL announced the signing of The Blue Panther (who is already in and working EMLL cards already) and los Brazos (not necessarily including Super Brazo) to EXCLUSIVE contracts. The article said los Brazos are booked on some UWA shows up through 9/1/91, but will essentially accept no new UWA bookings and only bookings for EMLL, and are sure to be heavily pushed by EMLL. This is a team that I would already call favorites to win the CMLL Trios tournament later this year and I expect el Brazo de Oro to be entered in the CMLL Light Heavyweight Tournament (P. S. in 1987-1988 el Brazo de Oro was the UWA World Junior Heavyweight Champion.) Also, this team might be a favorite for the CMLL Parejas tournament and if Konnan goes to Titan el Brazo de Plata would make a logical CMLL Heavyweight Champion. Now, no word on Casas or Asai. Asai has completely disappeared from UWA bookings so I am sure he will go but you can see that the EMLL is skimming the cream of the workers and may soon regain the status of #1 promotion in Mexico from UWA. Therefore, I expect UWA to make a big push to keep Casas and maybe try to get Aguayo, Mascaras, Santo, Anibal, Super Astro and others who now work both sides of the fence to sign exclusive UWA contracts.

2. The new national "queen" of Lucha libre has been chosen (and no, not by Pat Patterson either). Her name is Erika Ivonne Trejo. Second was Magda Gonzalez.

3. On Sunday, June 15, 1991, per Super Luchas magazine, over 260 wrestlers wrestled in the Mexico City area on that one day just in the one metropolitan area alone!

4. Super Luchas Magazine reports in NO UNCERTAIN TERMS that Konnan el Barbaro and last year's Lucha Libre Queen Vicky Palacios are engaged (issue #14, dated 6/13/91, p. 4 and 5) and I have sent you a copy of that issue, Dave. Does his wife know about this? Maybe you should not print it.

5. Oh, it also reports Konnan's full name is Carlos Santaigo Espada Moises.

6. The tour of the southeast of Mexico (big news AGAIN) has been extended by two days, so they will wrestle down there 7/5/91 and 7/6/91. This means that these 16 wrestlers will

not be on Galavision this week: Konnan el Barbaro, Octagon, la Mascara Sagrada, Cien Caras, Emilio Charles junior, Fuerza Guerrera, la Sirenita, Lola "Dinamita" Gonzales, Zuleyma, Martha Villalobos, la Aguilita Solitaria, la Mascarita Sagrada, Octagoncito, el Espectrito (junior), el Pequeno Cobarde, and el Piratita Morgan.

7. I do not know if this will air on the television show, but the EMLL came out with a press release announcing its "wrestlers of the week" for the period of Wednesday, June 26, 1991 to Tuesday, July 2, 1991. They were The Blue Panther, los Hermanos Guerrero (Chavo, Armando, and Eduardo), Javier "el Monarca" Cruz, Apolo Dantes, and Juan "el Huracan" Sevilla.

8. The extension of the tour of the Southeast of Mexico has caused the following three dates to be cancelled:

1. 7/5/91 at la Arena Lopez Mateos in Tlalnepantla, Queretaro, Mexico
2. 7/6/91 in Aguascalientes, Aguascalientes, Mexico
3. 7/7/91 in Irapuato, Guanajuato, Mexico

9. The real name of EMLL referee el Galivan is Fernando Garcia.

10. Here are some legends' real names:

- * el Verdugo (the original from the 50s): Manuel Muniz
- * Don Chucho was Jesus Garcia Hernandez
- * Tarzan Lopes was Carlos Lopes
- * The Black Killer was Luis Marquez
- * el Ninja was Bruno Victoria
- * el Septiembre Negro was Victor Amezcua (of the same family) and his son Victor Amezcua junior now wrestles for the EMLL as el Septiembre Negro junior.
- * The Black Shadow was Alejandro Cruz Ortiz; he was born 5/3/24 in Leon, Guanajuato, Mexico; he debuted in 1942 under the name el Jungla Cruz; and was given the Black Shadow name by Don Chucho. He is still alive and regularly attends EMLL cards; a photo printed this week shows him shaking hands recently with Konnan el Barbaro.
